We the Annual Staff present
here a book printed with
the purpose of reminding
you of a full and happy
year in Beebe Junior College.

Our love for B. J. C., the work,
good times, and associations are
preserved in this year 1953
Minuteman.

As you read and enjoy it,
may your memories be
linked with the past you
hold so dear to your heart.

The Staff

DEDICATION

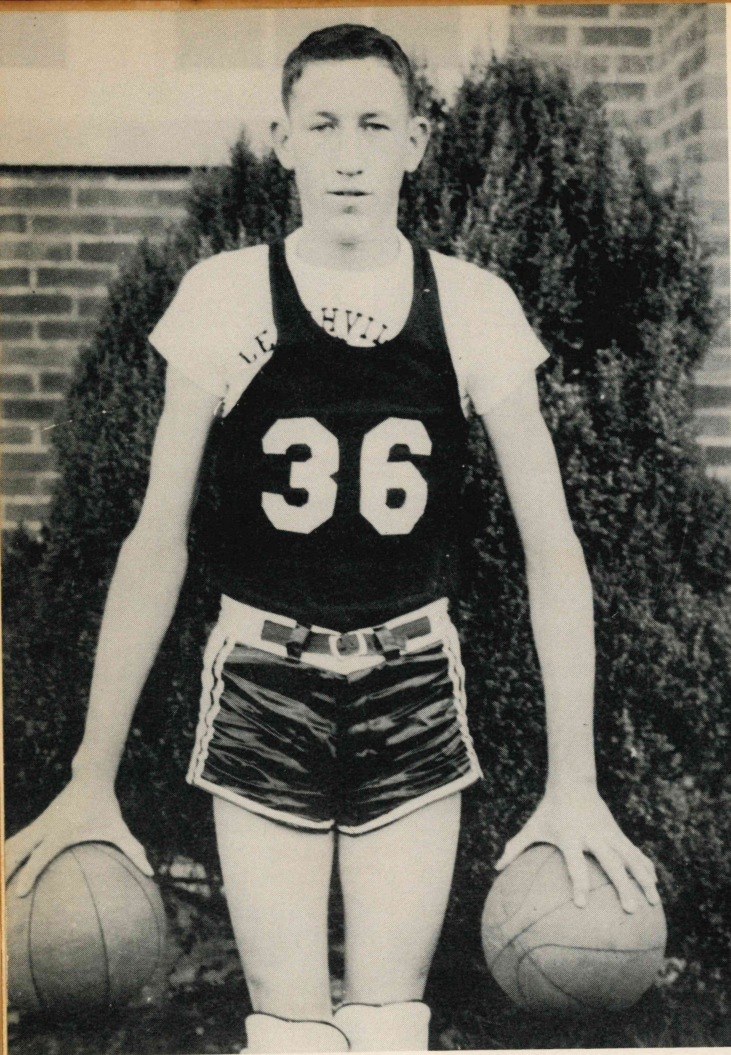

In grateful recognition of his undaunted efforts to make Beebe College all that it should be, his altruistic attitude toward both students and faculty members, and his wholehearted devotion to the cause of right we dedicate the Minuteman of 1952-53 to Dean Edgar O. Kirk.

A. M. SOUTHERN METHODIST UNIVERSITY

After years of preparation Mr. Johnson began his teaching in Valley Springs, where he taught for two years. He then went to Yellville and after teaching for two years there he then went to Nettleton where he served as superintendent for two years, then he moved again, and was superintendent at Clarendon for one year. He then went to Lepanto where he was superintendent for five years.

With all this previous experience Mr. Johnson began teaching history at B. J. C. After one year as history teacher, Mr. Johnson was made president of B. J. C. and has been president of the college for the last three years.

In this school year 1952-53 another responsibility has been added to Mr. Johnson's work for he is also coach of the girls' basketball team, the Minutemaids, which was organized this year.

Although a great deal of Mr. Johnson's time is spent in the work at the college he has found time to become a co-author of an Arkansas history book which is in publication at this time but is expected to be into circulation next September.
